

USED MACHINES RANGE

Danobat CP 420 AN

**Twin Column,
Vice Feed,
Automatic
Bandsaw**

With Paso Paso Intelligent Cutting Software

Serial Number: 0308901087 Year of Manufacture: 2008

Modern, high production automatic Bandsaw designed for accurate cutting of solid bar, including hard alloys.
With high speed gearbox operating with modern carbide blades for exceptional metal removal rates.

SPECIFICATIONS

Model	Danobat CP 420 AN
Capacities	90°
Round	420mm
Rectangle	420 x 420mm
Motor & Speeds	5.5 kW 22 – 148 m/min
Blade	5920 x 41 x 1.3mm
Dimensions (mm)	3285(W) x 2050(L) x 2020(H) – 3180KG

FEATURES

- Paso Paso Intelligent Cutting Software
- Heavy Duty Construction
- Variable Blade Speed
- Laser Fast Approach
- Powered Swarf Conveyor
- 41mm Wide Blade
- Self-diagnostics
- Full Service History
- Hydraulic Blade Tension
