

## G330

### Twin column Automatic Vice Feed Bandsaw

#### CAPACITIES (mm) & SPECIFICATION

|                         |                    |
|-------------------------|--------------------|
| ○                       | 330                |
| □                       | 330 x 330          |
| Bundle size (optional ) | 300 x 135          |
| Blade Size              | 4115 x 34 x 1.3    |
| Blade Speed (m/min)     | 15 - 80            |
| Dimensions              | 2230 x 2270 x 1400 |
| Bed Height              | 635                |

#### FEATURES

- N.C controls for cutting length via touch screen HMI,
- Preprogrammed feed and pressure controls relative to the grade of the material by servo electric cylinder.
- Multi pass to facilitate the cutting of components that are longer than the 500mm material feed stroke
- Split front vice to minimise burr by securing both sides of the material either side of the blade
- Blade monitor to automatically stop the machine in the event of a blade break/jam.
- 34mm wide blade
- Cuts solids including stainless steel and sections
- Hydraulic blade tension for fast cutting
- Easy operation with full stroke hydraulic vices
- Powered Swarf conveyor
