## Karmetal KMT 340WOS.PLC Vice Feed Automatic Bandsaw

### Features:

- Heavy duty construction
- Robust, simple to use controls
- Powerful 4.0kW drive motor
- Inverter controlled blade speed 25~100m/min
- PLC Control Unit
- Hydraulic Band Tension
- Adjustable hydraulic regulation of bow descent rate
- Material specification compensation valve
- Full stroke hydraulic vice
- 400mm material stroke
- Hydraulic Top Clamp
- Swarf Conveyor
- Powered Swarf Brush
- Vice Pressure Reduction
- Blade Size 3910x27x0.9mm
- 1.5mtr Conveyor, Adjustable Vertical Rollers

Capacities	90°
Round	340mm
Square	340mm
Rectangle	340 x 430mm
Blade Size	3910mm x 27mm
Dimensions (L W H)	2050mm x 1300mm x 1600mm
