OTHER INFORMATION

Year of Manufacture	2014
Electrical supply	400V, 3 ph + E
Dimensions	1.5L x 0.8W x 1.6H (metres)
Weight	1.1 tonnes net

Please note, quoted capacities relate to steel with a material resistance of 45kg/mm²

This machine has been fully serviced with oil and filter change and set up as per original manufacturers tolerances.

ALL blades are the original UNUSED items.

The paintwork is original and almost unmarked over the last 10 years of infrequent use!

To summarise, over my 30+ years of steelworker experience, this 2014 Multicrop is by far the best example of a 10-year-old machine that has ever been seen available for sale!
