THE PEOPLE TO SEE FOR SAWS

H-400GA+ Twin Column, Automatic, Vice Feed Bandsaw with Bundle Clamps

Heavy duty, twin column, vice feed automatic bandsaw, with touch screen NC control console, swarf conveyor and bundle clamps as standard. Designed for cutting a wide range of materials including stainless steel and nickel-based alloys. With a 35 year track record in the UK and over 1000 saws sold, Mega has earned a reputation for quality and reliability.

Features

- Heavy duty machine with high specification
- NC programmable touch screen controls
- Variable blade speed control via touchscreen
- Independent control for cutting rate & pressure
- Bundle clamps fitted as standard to both front and rear vice for multiple bar cutting
- Automatic multi pass to facilitate the cutting of components that are longer than the 400mm material feed stroke
- Hydraulic swarf conveyor
- Split front vice to minimise burr by securing both sides of the material either side of the blade
- Blade monitor to automatically stop the machine in the event of a blade break/jam.
- 41mm wide blade
- Cuts solids and sections including stainless steel
- Hydraulic blade tension
- Easy operation with full stroke hydraulic vices
- High accuracy on squareness and cut length repeatability
